QUESTION / COMMENT	STATE RESPONSE
1 RFQ-B.2b: Please clarify statement. If we are the lead Design Firm, should we submit five example projects and then have our subconsultant (geotechnical, for instance) submit five separate example projects as well?	Most related five projects done by any part of the team will be acceptable. Subconsultant's example projects are not necessarily required.
2 RFQ – C4: Please clarify how a “preliminary schedule” can be submitted without knowing any details of a project?	“Preliminary Schedule” is not required for this project. Only <u>capability of project scheduling</u> is required in case of a need.
